

TIBURON CLASSIC CAR SHOW

IMPORTANT ARRIVAL INSTRUCTIONS

WELCOME,

Thank you for your participation with us this year, the 12th running of the Tiburon Classic Car Show.

Because of the geography that we have, access into the car show street is limited. To solve that problem we ask you to adhere to an arrival schedule that spreads the car parking out over time. Additionally, there will be two entry points. I would ask, please, that you follow the instructions contained in this letter to help us to get the show off to a successful start for everyone.

Please arrive between 9:30 and 10:00A at the Tiburon Blvd. turn around, just past Main Street. Pass through the intersection with Beach Road and follow and follow the cross hatched line along Tiburon Blvd as shown on the accompanying map. Please make every effort to arrive during your assigned time. Arriving after your appointed time will create a bind for the next group, so your promptness will be appreciated.

Thank you for your cooperation.

Tom O'Neill
